### Suggestions/Comments

"Keep up the great work!"

"I make sure I tell everyone who has children in town"

"My daughter really enjoys it - to my surprise - because I thought she was too young, but no!" *(from the 12-18 month playgroup)*

"All things are really good for her. I can't think of anything we don't do."

"It's been a great mix of activities! Thanks for the great work."

"Thank you! We love Bto3!!"

"Thanks for everything!"

"Consistently a joy - my girls love coming here"

"It's great for my girl. I know at least once a week she gets to have group play"

"I cannot even keep them away; they know when it's Thursday and leap into my arms at the door." *(from a grandmother who picks up her grandchildren and brings them to Birth to 3)*
